# Lit Up Inside: Selected Lyrics

## Synopsis

Van Morrison is one of a handful of truly iconic twentieth century artists. Along with Bob Dylan, he was one of the first contemporary lyricists to infuse a serious poetic sensibility into popular music. A colossal influence on a wide range of fellow musicians, he has been a singular beacon of artistic integrity, soulful conviction and musical excellence. One of the greatest singer/songwriters of all time, Morrison has been following his muse in an uncompromising way since the early Sixties. He has explored soul, jazz, blues, rhythm & blues, rock and roll, Celtic folk, pop balladry and more, forging a distinctive amalgam that has Morrison's unvarnished passion at its core. He has referred to his music as 'Caledonia soul,' reflecting his deep immersion in American roots music and Ulster-Scots. This personal selection of what Morrison himself has judged to be his most important and enduring lyrical work will stand as a landmark public statement from an otherwise intensely private artist, an intimate and very intentional view onto what Morrison himself esteems as his creative contribution. The introduction by Eamonn Hughes, of Queen's University, Belfast, gives a career-long overview of the creative influences Morrison has absorbed and channeled through the years, and the forewords by poet David Meltzer and novelist Ian Rankin provide an appreciation of the writer's craft demonstrated in Morrison's evocative, timeless lyrics. A must for any fan, and a solid introduction to this singular, iconic talent. "Tupelo Honey' has always existed and Van Morrison was merely the vessel and the earthly vehicle for it." Bob Dylan "I know of no music that is more lucid, feelable, hearable, seeable, touchable, no music you can experience more intensely than this. Not just moments, but extended . . . periods of experience which convey the feel of what films could be: a form or perception which no longer burls itself blindly on meanings and definitions, but allows the sensuous to take over and grow . . . where indeed something does become indescribable." Wim Wenders, filmmaker "No other Irish poets-writing either in verse or in music--have come within a Honda's roar of Patrick Kavanagh and Van Morrison"--Paul Durcan "If you've heard Morrison's marble gruff, it booms in your ears while reading *Lit Up Inside* . . . a travelogue moving out of the Emerald Isle into the arms of Socrates and Plato, Whitman and Yeats, Rembrandt and Rimbaud--Sidney Bechet, Sonny Terry, and Brownie McGhee. Epic ballads, songs of worship, Celtic history: *Lit Up Inside*, a roaring jukebox of the printed page."--Raoul Hernandez, *Austin Chronicle* "Irish poet W.B. Yeats once posed the question 'How can we know the dancer from the dance.' He suggested that they're inseparable. Much the same might be said about Van Morrison, the contemporary Irish musician who seems at one with his songs, though *Lit Up Inside*, a collection of his lyrics, provides an opportunity to be beguiled by the words and not by the singer himself. Born in Belfast in 1945 and raised on the blues, Morrison

came of age when poetic young men turned to song to express love, loneliness, beauty. As John Lennon, Bob Dylan and Morrison recognized, the spoken word accompanied by a guitar rocked the world. *Lit Up Inside* shows that Van Morrison tells stories, creates moods and boasts the kind of romantic imagination that soars in the work of the poets he mentions in this volume, including Samuel Taylor Coleridge and William Blake. Morrison isn't name-dropping, only sharing the literary heroes who inspired him."--Jonah Raskin, San Francisco Chronicle

## Customer Reviews

This collection, selected by Van Morrison, is delightful to read, and it serves well as a continuous reference to a large part of the Morrison catalog of songs. As wonderful as the lyrics are, the two forewords by David Meltzer and Ian Rankin and the introduction by Eammon Hughes very ably place context to the collection. In short, this collection is a must for all fans of Van the Man and will be well received by anyone wishing to attain a greater understanding of one of the best and most prolific English-speaking singer songwriters of the past 50-plus years.

Great addition to my Van Morrison collection. One of the all-time great song writers and performers in history.

Love 'Lit Up Inside: Selected Lyrics' by Van Morrison, the newly published book. It is a treat discovering which lyrics Van choose as important to him. My favorites are all there except for Haunts of Ancient Peace and Queen of the Slipstream.

excellent.... after reading mixed review I awaited curiously...needless to say received it promptly and as quiet/efficient as expected.. have mine on a stool in bedroom and amazingly quiet and dry....

If you're a fan of the Great Van Morrison like I am, you will certainly enjoy reading this collection of some of his most wonderful songs.

Great gift for the Van Morrison lovers in my life (my parents). It's a beautiful book.

Nice collection from a prolific poet.

Nice to have lyrics of some of his songs in one volume....was hoping for more than this though!
