The Ukulele Songbook: Hymns & Songs Of Worship

Synopsis

Thomas Balinger The Ukulele Songbook Hymns & Songs of worship In this book you'll find a collection of 50 hymns and songs of worship arranged for easy Ukulele in standard C tuning (G-C-E-A). A collection of tunes you'll enjoy playing. Here are the songs known and loved all around the world like Amazing grace, A mighty fortress is our God, Jesus paid it all and Come, Thou fount of every blessing; but also some songs you might not know as well – there's lots of beauty to be found there, too. This book is aimed at the beginning to intermediate Ukulele player and with that in mind the songs have been transposed to easy Ukulele keys (and slightly simplified, if necessary). All songs in musical notation with chord symbols plus melody TAB – you don't have to read music to start playing right away! Whether you want to pick the melody, strum the chords or just need the complete lyrics: you'll find everything you need on these pages. And if you don't know how to play a particular chord, don't worry: each song features easy-to-read chord diagrams, too. For reference, there's a handy appendix listing all the chords used in this book plus a selection of easy strumming patterns you can use to accompany songs.

Hymns are in various keys, and the melody tabs are really nice if you don't read the treble clef. The included hymns have from 2-8 chords, but most have 3-5 chords. As in all of Balinger's uke books, there is a wonderful section in the back with helpful strumming patterns and finger-picking patterns for those who want to play beyond beginner strumming.

Thrilled with the hymns included and very grateful that the chords are pictured beside the song. My only complaint is that some of the words for extra verses are mixed up. The page beside "Joyful, Joyful We Adore Thee" has words to "Fairest Lord Jesus" and next to "Come, Thou Fount of Every Blessing" are the words for verses of "O Worship the King." Still, I can always get out the hymnal for the right verses.

I opened up the content preview and was immediately playing *Angels We Have Heard on High*. I bought a ukulele last week. This author is without a doubt the best available resource for hymns and carols. UPDATE: I have discovered that some of the lyrics for multiple songs are copy/pasted and therefore incorrect; for example, *Joyful, Joyful We Adore Thee* has all the lyrics of the previous page's song, *Fairest Lord Jesus*. While kind of frustrating, it's a simple enough fix for the buyer (just print out the correct lyrics), but if you are learning a new song to sing to a crowd, I would highly recommend looking up the lyrics yourself beforehand to avoid any embarrassment or confusion.

Great for uke beginners, religious or not. All songs come with tablature, standard music notation, chords and lyrics. The music is pretty and very simple for even the most beginner ukulele player and music reader.

I truly enjoyed using this book. It had a lot of the old time hymns in it. They were easy to play. Because of the Tab it was easy to fit in melody along with chords.

Perfect! My 8 year old even loves it!
