# Hal Leonard Bass For Kids: A Beginner's Guide With Step-by-Step Instruction For Bass Guitar (Hal Leonard Bass Method)

## Synopsis

(Bass Method). Bass for Kids is a fun, easy course that teaches children to play bass guitar faster than ever before. Popular songs such as "Crazy Train," "Every Breath You Take," "A Hard Day's Night" and "Wild Thing" keep kids motivated, and the clean, simple page layouts ensure their attention remains focused on one concept at a time. The method can be used in combination with a bass teacher or parent, even if they've never had any musical training themselves. Lesson topics include selecting a bass, holding the bass, hand position, reading music notation and counting, and more. Audio examples are accessed online for download or streaming.
