I'd been wanting this book forever, and I'm so glad I found it on for way cheaper than all the other online book stores! Great coffee table book, and a nice way to add a pop of color to a room.

Love this book! Saw it... Bought it... Loved it...A very good quality coffee table book.

Received this book as a birthday gift and have enjoyed it very much. The pictures are beautiful! I love the energy and chic playfulness of this book. The style of this book transcends the Kate Spade
