Customer Reviews

This is a Wonderful collection of illustrations by Thiago Ultra. Just to make it clear (as the author already inform) this book is a collection of the best illustrations (selected by the author himself) presented in his books DOODLECRAFT - ADULT COLORING BOOK and FRUIT MANDALA COLORING BOOK, plus some original illustrations not yet published anywhere. If you already have both of his books (like i do), this one won't bring you anything new, unless, of course, you are willing to color his beautiful illustrations a second time, with new color combinations. However, if you have only one of his books, or none at all, this book is a GREAT addition to your desk! The collection offers 42 illustrations, which is an incredible value at \$ 8.99. You will find beautiful animals, mandalas, flowers, fruits and gardens, ranging from simple to intricate designs. And i have to say, his animals are CUTER THAN CUTE! (i've attached some images to this review). The paper is

adequated for most coloring tools, but markers may bleed to the other side. It's not really as problem, as the images are printed on only one side of the page, but if you are going to use markers, protect the next illustration by putting a card stock paper behind the illustration you are coloring. That is it! Happy coloring!

I bought this as a "de-stressing" tool for my very busy teammates at a large corporation. It has really turned into a popular hobby for those times when you are feeling overwhelmed or stressed or too busy...just take a few minutes to take a break and color. Even the president of our company has participated in a "coloring session". The pictures are fun, and beautiful. Our Team LOVES it!

Nice pictures for the advanced or new coloring book user. I like this book a lot. A Hint - When coloring, neatly cut the page you are going to color and put it on a standard clipboard. You can simply tape the page to a piece of art board with some of the easily removed painting tape.

I love all my adult coloring books, after a LONG and stressful day at work---all I want to do after work is color so I can relax

Loved the coloring book and all the designs in it. No issues with the product, fast delivery, and plan on buying more.

I love this coloring book. Ultra has done it again!

very nice. Excellent A+++++
