# Cape May's Gingerbread Gems

## Synopsis

Sixty-five color images of summer cottages and guesthouses create a treasured souvenir for all who have visited New Jersey's southern cape, and an indispensable reference for anyone who loves Victorian Era architecture and exterior ornamentation. This is a visual smorgasbord of Victorian architecture and ornamentation, adorned with sparkling coats of colorful paint. Gorgeous examples of Carpenter Gothic, Gothic Revival, Italianate, Second Empire, Edwardian, American Bracketed Villa, and Stick Styles are presented. Most date from the late 1800s to the early 1900s, and all are dripping with finely wrought wood bric-a-brac and ornaments. Includes work by celebrated architects Frank Furness, Samuel Sloan, and Stephen Decatur Button. This selection of summer cottages and guesthouses was drawn from one of the greatest collections of late 19th century buildings in the United States.

## Book Information

## Customer Reviews

I wanted a book of pictures of my favorite Cape May houses. This fits the bill and takes me back to one of my favorite places

I love this little book and all the beautiful photographs of the Cape May houses. It always eases the pang just a little to look through this book when I get a little "homesick" for Cape May.

Beautiful little book! A nice pictorial reminder of our summer vacations! Perfect size to keep out on

the coffee table.

Great little book, brings me right back to great times in Cape May, good souvenir.
