Customer Reviews

This Hymnal was exactly what I was looking for and at a very good price. I received it very quickly. The music is the Authentic Methodist Music. Easy to play and sing. The only thing I wish is it had the chords too.

I got exactly what I ordered a United Methodist Hymnal in very good condition. A person's name was written in front and whited out which was fine with me, in fact, it added a personal touch to the hymnal.

I have been remembering the hymns I grew up with, as my mom played piano in the Methodist church for years and couldn't find her book. So I found one and ordered it. Thanks~

we purchased 36 of these hymnals to complete our church pews. Some are dedicated to people, families, and situations. We enjoyed thinking and praying for people we have not yet met, and were able to complete our collection for 1/10th of the cost of new. We are very, very pleased with each hymnal purchased.

We are also very happy with this hymnal, affectionately known to us as "The Red-Back Hymnal." It arrived in excellent condition, and is as good as new. We look forward to many years of our faith journey with this hymnal.

This hymnal is exactly like the one currently in use at our church. It was priced much less than a new one and it had never been used, some of the pages were still stuck together. I wanted my own because sometimes all of the church owned copies are being used. Buying my own was a good decision and Marketplace is THE place to buy.

I was so glad to find this hymnal. It contains so many of my favorite hymns, and helps me plan songs various events.

The hymnal,, being carried to Zambia for our United Methodist brothers and sisters there, was just what I ordered and just what I receive in time for the trip. Thank you.
