Irving Penn: Beyond Beauty

Synopsis

An accessible overview of the work of legendary American photographer Irving Penn. Famous for his fashion portraits and experimentation with still life images, Irving Penn (1917–2009) ranks as one of the foremost photographers of the 20th century. In an illustrious career that spanned nearly 70 years, Penn was a master of both black-and-white and color photography, and his revival of platinum printing in the 1960s and 1970s was a catalyst for significant change in the art world. Drawing from the extensive holdings of the Smithsonian American Art Museum, including a major gift from The Irving Penn Foundation, this magnificent catalogue compiles 161 of Penn's iconic images, including a number of unpublished works. Beautifully designed and illustrated, *Irving Penn: Beyond Beauty* accompanies the first retrospective exhibition of Penn's work in nearly 20 years and features photographs from all stages of his career, including street scenes from the late 1930s, celebrity portraits, Parisian fashion photographs, and more private studio images. Merry A. Foresta's captivating essay introduces this photographer to a younger generation and delves into Penn's use of photography to respond to social and cultural change, speaking to the depths of human existence.

Customer Reviews

Catalog from a wonderful show at the National Portrait Gallery. There are numerous books on Irving Penn, this one distinguishes itself in that it covers his career comprehensively, from early "Walker Evans" style documentation to the work that made him famous. Penn is, arguably, our greatest

photographer, his grace and eloquence has few rivals. If you are going to buy on book of Irving Penn photographs this is a worthy addition to your library.

Excellent retrospective. Excellent printing. I recommended it to others.

Beautiful book. Wonderfully put together. Love it.

Beautiful images. Very interesting retrospective.

Excellent new Penn book. Enough said.

Very well presented work
