# Acrylic Painting For Encaustic Effects: 45 Wax Free Techniques

## Synopsis

Explore encaustic painting without wax! Discover 45 innovative ways to use acrylic paints, mediums and a variety of mixed-media art supplies to achieve the look of encaustic without the wax or the heat usually required. Compose and create intriguing works of art with fun techniques that include creating crackles, carving with stencils, making wax-like elements, adding image transfers and so much more! Explore new mixed-media territory! 45 techniques for making art that looks like encaustic painting--but isn't! Follow step-by-step instructions on how to add image transfers, incorporate collage, add alcohol inks, play with resin and more. Achieve the dreamy, layered look of wax without the extra tools, time and space required of encaustic. With 85+ imaginative tips for taking your art to the next level, the possibilities are endless!

## Customer Reviews

Excellent reference and text book. Photography is awesome! Projects are clearly written, step by step, and great photos showing the process. Would recommend this book to any mixed media, or to "wannabe's". Have old paints on the shelf? These can be great sample boards. Sharon McGlasson

I have so wanted the depth of encaustic but was so reluctant to get out the electric skillet and play with all that mess. This experienced artist has really figured out ways to get the effects with acrylic and mediums. Can't wait to go play!

I can not wait to dig into this one. The photos are beautiful and very well done. I appreciate the

summary of the materials needed for the projects done in the book. This makes it so much easier to purchase the few supplies I don't already have. I would definitely recommend this book.

Got Acrylic Painting for Encaustic Effects for my sister for Christmas and she was thrilled, as she is really into encaustic. Wilson presents projects that make a daunting medium seem less intimidating. Great pictures!

Great as a reference, projects to try, and an idea generator. I've got a whole new skill to explore, thanks to Sandra Duran Wilson and her Acrylic Painting for Encaustic Effects.

I love encaustic, but have problem with fumes. I also work in collage, mixed media, and acrylic painting. This book has wonderful ideas and instructions that I can use. I loved it!

Many different techniques with good encaustic effects without the risk and fire of traditional encaustic methods. A

Thoughtfully written and full of techniques for the acrylic artist. Order two because, one you will want to work from, and the other will make a great gift for a fellow artist friend!
