Logotype is the definitive modern collection of logotypes, monograms, and other text-based corporate marks. Featuring more than 1,300 international typographic identities, by around 250 design studios, this is an indispensable handbook for every design studio, providing a valuable resource to draw on in branding and corporate identity projects. Retaining the striking black-and-white aesthetic and structure of Logo (also by Michael Evamy) and Symbol, Logotype is an important and essential companion volume.
