# Agnes And The Hitman

## Synopsis

Take one food writer named Cranky Agnes, add a hitman named Shane, mix them together with a Southern mob wedding, a missing necklace, two annoyed flamingos, and a dog named Rhett and you've got a recipe for a sexy, hilarious novel about the disastrous side of true love. Agnes Crandall's life goes awry when a dognapper invades her kitchen one night, seriously hampering her attempts to put on a wedding that she's staked her entire net worth on. Then a hero climbs through her bedroom window. His name is Shane, no last name, just Shane, and he has his own problems: he's got a big hit scheduled, a rival trying to take him out, and an ex-mobster uncle asking him to protect some little kid named Agnes. When he finds out that Agnes isn't so little, his uncle has forgotten to mention a missing five million bucks he might have lost in Agnes's house, and his last hit was a miss, Shane's life isn't looking so good, either. Then a bunch of lowlifes come looking for the money, a string of hit men show up for Agnes, and some wedding guests gather with intent to throw more than rice. Agnes and Shane have their hands full with greed, florists, treachery, flamingos, mayhem, mothers of the bride, and--most dangerous of all--each other. Agnes and the Hitman is the perfect combination of sugar and spice, sweet and salty--a novel of delicious proportions. --This text refers to an out of print or unavailable edition of this title.

## Book Information

Audible Audio Edition

ASIN: B001D066F4

Best Sellers Rank: #262 in Books > Audible Audiobooks > Romance > Suspense #3218

in Books > Romance > Romantic Comedy #3560 in Books > Romance > Romantic Suspense

## Customer Reviews

Authors Jennifer Crusie and Bob Mayer first collaborated on "Don't Look Down" in 2006. Crusie's crazy-endearing heroines and Mayer's rough and tumble Green Beret adventures didn't mix very well with Crusie's fans, and the novel was not as well received as her earlier efforts. I'd been

unhappy with Crusie's "Bet Me" from 2005, and was worried I wouldn't see her back in top form. The improbable, "Agnes and the Hitman" has changed my opinion greatly. The story of one independent, audacious (and above all, CRANKY) female chef in the south who writes a daily column but spends most of her time disentangling crazy situations, was a resounding hit with me! Agnes Crandall's mixed up with some crazy Italians who bring the mob concept to South Carolina. One of Agnes' best childhood friends, Lisa Livia, sides with Agnes in a dispute with Lisa's mother, the widow Brenda Fortunato. But is Brenda just trying to renege on her deal to see Agnes the house, or is there something more evil afoot in the fact that Agnes has to fend off numerous attempts on her life with a cast iron frying pan? Enter Shane, a supposed hitman who is sent to protect Agnes by her friend ( a consigliere-type fellow) and his uncle, Joey. The details of Shane's mysterious past and his prowess with a gun were donated by Mayer....the romance and some enthusiastic bedroom scenes between Shane and Agnes are all Crusie, returning to form. The chaotic mix of dead bodies, missing money, wedding shenanigans and southern charm are a mix of both their styles. Unlike their former effort, Crusie and Mayer have written, for their second effort, a book you can't put down; a madcap whodunnit. The authors begin every chapter with an excerpt from Agnes' column, "Cranky Agnes"....
