Harry Potter: Magical Places From The Films: Hogwarts, Diagon Alley, And Beyond

Synopsis

A comprehensive and delightful look at Hogwarts, Diagon Alley, The Burrow, Azkaban prison and all of the memorable places, both loved and feared, that brought the Harry Potter movies to life—a keepsake treasury bound in a debossed leatherette case and featuring a removable poster and interactive booklet. Grand in its design and package, *Harry Potter: Magical Places from the Films: Hogwarts, Diagon Alley, and Beyond* offers an unprecedented look at the creative process that transformed the magical locations of the wizarding world from the page to the big screen. Inside, readers will discover the many challenges the studio faced to build the fantastical sites depicted in Rowling's books, from Hogwarts castle and its many classrooms and dormitories, to Diagon Alley and the Ministry of Magic. Organized by film appearance, *Harry Potter: Magical Places from the Films: Hogwarts, Diagon Alley, and Beyond* takes readers on a behind-the-scenes visual journey through all eight of the Harry Potter films. Jody Revenson provides detailed profiles of each location and pairs them with never-before-seen concept art, behind-the-scenes photographs, and film stills with supplementary information that reveals filmmaking secrets from the Warner Bros. archives. Gorgeously designed, visually stunning, *Harry Potter: Magical Places from the Films: Hogwarts, Diagon Alley, and Beyond* is truly an unmatched look at the imaginative sets that were designed, built, furnished, and digitally enhanced specifically for the films. It also includes real-life scouting locations across the stunning countryside of England, Wales, and Scotland—many of which would later become the settings for Hagrid's hut, Shell Cottage, the Hogwarts bridge, and other iconic places. This stunning full-color compendium also includes two exclusive bonus inserts: a map of Diagon Alley folded in an envelope in the back of the book, and "The Paintings of Hogwarts" catalog inserted in the text.

Harry Potter: Magical Places from the Films is actually one of the books from the Harry Potter Page to Screen Collector's Edition. In that collector's edition, the book was titled Environments Envisioned: Building Fantastic Sets and Scouting Dramatic Locations. I don't have the collector's edition, so I can't compare the exact contents, so I'll just talk about this book alone. I only have the standard edition of Harry Potter Page to Screen so the first thing I want to say is it's great to have this book sold separately rather than bundling it into the pricey collector's edition. Sure it took a long time for it to come out but it's more affordable, and all fans can enjoy the book now. This is a large 208-page hardcover film companion. The cover has a nice design with trimmings embossed. The presentation is beautiful and the same can be said about the layout inside. The pages are filled with behind the scenes photography, film stills and lots of commentary. Fans will no doubt find it extremely satisfying to delve into the information and revisit the Harry Potter world again -- I know I did. This book focuses on the locations and sets. There are environment concept art, stories on how the sets were built, what was filmed there, how the props were created, how the sets relate to the movie and the book, and many other bits of interesting details.
