Customer Reviews

The audio tracks are what enticed me to make this purchase, and are by far the best feature

mentioned in the description. Well, the tracks aren't included in the download, you have to download them separately at innovativelanguage.com/books. I went to do that, and found that there were no audio files accompanying this book. Norwegian wasn't even a language option for kindle books. The text itself is poor quality too, it wasn't really good for functional language acquisition, and the layout, grammar, basically everything seemed really unprofessional. I checked out the innovative language website, and it seemed really sketchy. This doesn't seem like a legit company at all. I liked the idea of this for portability and convenience, but it seems I've been fooled. In sum, **DO NOT BUY THIS PRODUCT**. It's not worth \$10, and honestly, even if it were free it probably wouldn't be worth the space it'll take up on your device. **UPDATE:** After looking around I found that the book is a direct rip off of free classes (with audio!) on learnnorwegian101.com. This is a SCAM, **DO NOT BUY THIS**. I want a refund, but it looks like there is no guarantee that the products on will match the descriptions, so I'm just out of luck. Again, and I can't stress this enough, **DO NOT BUY THIS PRODUCT** or any other product from Innovative Language. They are scammy and sketchy, if you purchase from them you have been stolen from. Don't make my mistake!
