ISBN-13: 978-0916622961

Product Dimensions: 6 x 0.4 x 9 inches

Shipping Weight: 8 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (2 customer reviews)

Best Sellers Rank: #973,332 in Books (See Top 100 in Books) #97 in [Books > Arts & Photography > Performing Arts > Dance > Reference](#) #1410 in [Books > Medical Books > Basic Sciences > Anatomy](#) #2329 in [Books > Science & Math > Biological Sciences > Anatomy](#)

## Customer Reviews

I have danced my entire life and often I would get an injury and simply ignore it or treat it how I would a simple sore muscle or cramp. This book gives a complete encyclopedic dictionary of common "dancer" injuries and how to remedy them. It has proved to be a very helpful reference book for me on a daily basis. This book is easy to understand and even easier to use, this book will help anyone with basic foot problems, it isn't just for dancers.

the book is quite old, so if you have a problem with your foot and you went to a podiatrist, you probably already know everything. however, for a "complete beginner" in feet problems it has some useful information.
