Customer Reviews

This is a really wonderful coloring book filled with many Christian-based designs. I also want to mention immediately that it is one of the better made coloring books that I have purchased but more about that later. The coloring book has 50 pages of designs and additional bookmarks, tags, and cards that you can color and cut out for your use. What I love about the book is that almost every one of the designs is Christian-based. Many Christian coloring books only devote one third or so of the design pages to providing a Christian message. In this book, page after page is devoted to Bible quotes. The words are incorporated into the design and are part of what you will color. That will make it easy to meditate on the words while I am coloring. The verses are also cited so it is easy to look up and see the words in context. The book is very well made. The cover is extremely strong

hardboard. It is printed on one side only of heavyweight perforated paper. The binding is at the top and is spiral bound. The print quality is excellent and dark. I really appreciate this binding as you can flip to any page and have access to the entire design. The cover then becomes a portable desk which allows you to color easily when on-the-go. While I am not a lefty, spiral bound works fantastic for them as they don't have to color over the hump of the binding. A few of the designs extend beyond the perforations, which is a little frustrating. I won't remove these from the book as I will lose a bit of the design if I do. This could be easily solved in future additions to this series by sizing the design to fit below the perforations. This is printed on great paper. All of my alcohol-based markers bled through but none of my water-based ones did.
