# Dog Shaming 2017 Day-to-Day Calendar

## Synopsis

Dogshaming.com is party central for the phenomenon that is dog shaming, where owners submit photos of their dogs with a sign detailing their latest bad behavior. But usually, the guilty party is just too darned cute to stay in the doghouse for long. The Dog Shaming 2017 Day-to-Day Calendar features an all-new selection of full-color photos from the site's funniest cute-but-criminal pups. A variety of dog breeds are included.

## Customer Reviews

It's a cute book that I'm gifting to my Mom for Christmas. I flipped through, and though I've seen a few 'dog shaming' pics online, I haven't frequented the site by any means. The photos of the dogs are darling - I love the expressions on their face. The reason for the 3 stars is that some of the 'shaming' was really repetitive. We get it - lots of dogs eat poop!

I enjoyed this book. My only complaint is that the book is awfully short! The look on the dogs faces are priceless. The book was very funny I found myself laughing out loud several times!

The subject of the book is the photos. However, the photos are extremely small (maybe, a 1/4 of the screen size) on my Kindle Fire HDX and require a double tap to enlarge them in order to view them. The photos are funny but, a tad repetitive.

I think this makes a great gift for all dog lovers (and maybe non dog lovers). The quality is great and

the photos and captions are very funny. I bought this as a gift because the website always makes me laugh and I don't even have a dog.

Considering that my usual reading fare consists of thrillers and true crime, with a tad of Tudor history on the side, "Dog Shaming" was a delightful departure for me. And, owning two senior Chihuahuas makes it even easier to identify with these owners' plights. No deep read here. The plot doesn't thicken - it doesn't even develop. What you "see" is...well, it. And it is a laugh riot. This book was just plain fun! I would recommend it to anyone who has ever owned, and loved, a dog or even a cat.

I'm sure many people have seen dog shaming on the internet. I bought this as a gift, and it's really funny. Many of the dogs really do look ashamed, although some of them look proud at what they've done. From tearing up blankets and underwear to chewing woodwork and many other things, the dogs in these pictures are great.

This book is hilarious and I bought it for myself and gave it as a gift to my dog breeder and granddaughter.. I read it several times and laughed out loud every time. I would definitely buy it again and give as gifts. Great value.

For those of us dog lovers who can "read" the looks on our dogs faces, or their body language, this book is a must. It amazes me what some folks with a log of imagination and a great sense of humor can come up with. Definitely buy and read this book.
