Customer Reviews

This was a Christmas gift for my mother-in-law who loves the Great Lakes and especially light houses. We couldn't find a decent one in the stores, so we were pleased to find this one on . The pictures are great and it was well-received.

I have ordered this for several years as well. I think the Great Lakes Lighthouses are the most interesting and beautiful ones I have ever seen. I particularly like the light house at Marblehead, Ohio.

I have gotten this calendar for the last 5 years, and it is lovely. The photographs are spectacular. As long as it is in print, I will be getting it.

The photography in this calendar is quite striking, all photographs are done very well and it is a definite addition to my kitchen.

We gave the item as a gift and the recipient couldn't have been happier. She is already requesting the same for next year.
