Ooo, this is going to be SO fun, even if my boss laughs at me (in a cute way, though) for being young at heart (I will do these on my lunch hour and be the envy of the office LOL!). I'm "following" this author to see when she releases more books!

I bought this for a gift but I think I'll be keeping it for myself. I didn't realize how tiny the pictures would be. Maybe 3x5. There is a lot of blank space on each page and then a pretty large date number. Way too tiny of spaces for my relative even if the picture is very simple. I might be able to do a few of them with fine liners. The images are cute, although they are repeated several times over throughout the calendar. The idea is very fun.

i absolutely love it!! the picture size is perfect especially if you aren't in the mood for a big project. I

bought her last calendar and loved it!!

Love this calendar lost of fun. To color & very relaxing
