I should have paid more attention to the back cover which shows the photos. Apparently, the photos were taken by the same person and with the same herd of horses. They are beautiful, but there are many varieties of interesting horses. There is no text to go with the calendar.

This is a beautiful calendar that is sure to please any horse lover! Glad it had four extra months compacted together on the first page because my daughter couldn't wait to hang it up on her wall.

Got the calendar for my niece who loves horses since she was little. The calendar will help her to keep up with school and other things.

It is a beautiful calendar and nicely varied in action and color. The paper is strong enough to not tear when hung on a nail.
