# Elliott Erwitt: Kids

Synopsis

Erwittâ ™s popularity is at an all-time high and this is the first collection dedicated solely to his photos of children.For almost six decades, Elliott Erwitt has had a keen eye for the often-overlooked world of children. What has resulted is a wry, endearing, and often humorous vision that captures the joys and heartaches of childhood from the United States to Japan to Brazil.Â Here we see kids through the eyes and lens of a master photographer whose joy in the childhood experience has been consistent over time. 90 duotone photographs
