## Customer Reviews

I laughed, I cried, I colored. I've always loved coloring books. Not only did this one help me relax, it helped me finally decide who to vote for. Because of it's humor, once you finish coloring, this book will make a great coffee table book. Or, depending on the election outcome, a bathroom book.

Political parody with pigment. Love it!

I've been friends with Charlie for many years, and I've gotta say, he's one of the most talented people I've ever met. He even wrote the RI state song. Even though I have a PDF copy of the book, I wanted to buy "the real McCoy" (The real McHall?) :-). You'll be amazed at some of the details he puts in some of the pictures. (Check out Trump's tattoos.)

Fun Book..Charlie Hall is a creative, funny guy!

Wicked funny!!
