# You Are Here: An Owner's Manual For Dangerous Minds

## Synopsis

A new book from #1 New York Times bestselling author Jenny Lawson, destined to be a classic—a part therapy, part best friend, part humor, part coloring book. When Jenny Lawson is anxious, one of the things she does is to draw. Elaborate doodles, beautiful illustrations, often with captions that she posts online. At her signings, fans show up with printouts of these drawings for Jenny to autograph. And inevitably they ask her when will she publish a whole book of them. That moment has arrived. *You Are Here* is something only Jenny could create. A combination of inspiration, therapy, coloring, humor, and advice, this book is filled with Jenny's amazingly intricate illustrations, all on perforated pages that can be easily torn out, hung up, and shared. Drawing on the tenets of art therapy—which you can do while hiding in the pillow fort under your bed—*You Are Here* is ready to be made entirely your own. Some of the material is dark, some is light; some is silly and profane and irreverent. Gathered together, this is life, happening right now, all around, in its messy glory, as only Jenny Lawson could show us.
