Imagimorphia: An Extreme Coloring And Search Challenge

Synopsis

Fans of adult coloring books are invited to enter the weird and wonderful world of Kerby Rosanes, the illustrator behind the Sketchy Stories blog and Animorphia, the international phenomenon and New York Times bestseller. In Imagimorphia, animals and objects morph and explode into astounding detail. Bring each intricate image to life with color and find the objects hidden throughout the book. Printed on quality paper, Imagimorphia is a quirky coloring and search book for fans of adult coloring books like no other.

Book Information

Paperback: 96 pages

Publisher: Plume; Clr Csm edition (June 21, 2016)

Language: English

ISBN-10: 0399574123

ISBN-13: 978-0399574122

Product Dimensions: 10 x 0.5 x 10 inches

Shipping Weight: 1.1 pounds (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars See all reviews (67 customer reviews)

Best Sellers Rank: #14,885 in Books (See Top 100 in Books) #33 in Books > Humor & Entertainment > Pop Culture > Art #42 in Books > Arts & Photography > Graphic Design > Techniques > Use of Color #48 in Books > Arts & Photography > Individual Artists

Customer Reviews

I will attach a silent flip-through video to this review. The book in the video and in the photos are only of the US version of this book except photos where I show both books. In those cases, the UK version is at the top and the US version is at the bottom. I purchased both the UK and the US version of this book. I reviewed the UK version on April 23rd of this year. As I noted at that time, I really enjoy Kerby Rosanes artwork which includes an unusual look at design and I have a really fun time coloring all the little odds and ends that make up the full design. I found that I actually liked Imagimorphia even more than Animorphia which was difficult to do as I so enjoyed his first book in this series. It still has a good number of animals in it but it expands beyond them into other design concepts as well. So, the designs are great, as expected, but what about the publishing quality of the US published book? The UK version was published in exactly the same fashion as the UK version of Animorphia. I was dreading that might be the case with the US version as well. What actually arrived was a coloring book printed on a much heavier weight of paper than the US Animorphia

book. It actually weighs slightly more than the UK version – either a slightly heavier paper or the slightly larger size of book – or a combination of both of these. The US version weighs in at 1.07 lbs. and the UK version weighs in at 1.03 lbs. The US version measures at 10 x 10 x 3/8 inches and the UK version is 9 7/8 x 9 7/8 x 3/8 inches. That is good and a great improvement since the last book but there are some more subtle differences in the publishing that still makes me prefer the UK version.
