Biblical Time Management

BIBLICAL
Time Management

By Xaviar Zimms

Synopsis

"A gracious, healthy exhortation to tend to the field which is our life, trusting that God will keep the world running when we take time for necessary, commanded rest. We often run into problems when out of our pride we take on too many commitments without having the required time and energy. This is a short book which repays the reading/listening investment." (Preston, S.) "Everyone around you has preached about the importance of time"... for those who are ready to break the chains. For those who are ready to stop being slaves to time, and instead turn their eyes to the Master of Loving-kindness, this audiobook is for you. The problem with time is not so much that we focus on it, but that we spend that time focusing on the wrong things. Xavier Zimms is ready to take you by the hand, and personally guide you in the practice of Biblical Time Management. In Biblical Time Management, Xavier boldly tackles real life everyday problems, and shows the listener how to handle them in practical ways. Among the subjects covered you will find: Ego Greed Pleasing man rather than God Becoming organized Effective time management And much, much more! It's time for you to pick up this book and learn the importance of biblical stewardship, and what role it should be playing in your life right now.

Customer Reviews

According to the table of contents there are three chapters. Imagine my surprise when chapter 2 ended and so did the book. The missing chapter contains the info on how to manage your time, which is why I bought it. Very disappointed!!

I think his has a lot of great principles for me and a society the is overbooked. Stewardship is something I have been studying a lot lately.
