Andy Warhol: Ladies And Gentlemen

Synopsis

In 1975, Andy Warhol undertook a series of portraits of New York City transvestites, most of whom were recruited by Bob Colacello from a club called The Gilded Grape. The method for making these portraits followed Warhol's customary formula: a Polaroid portrait of the sitter was silkscreened onto a canvas, which was then embellished with synthetic polymer paint in a bright array of red, pinks, yellows and pastels. Warhol's transvestites are portrayed in a fairly classical fashion, neck-up, often at a three-quarter angle, and beckon at the viewer with a variety of expressions, from the plaintive to the coquettish to the triumphant. This beautifully produced monograph features 40 spot-varnished color reproductions of the Ladies and Gentlemen series, and reprints the Italian film-maker and poet Pier Paolo Pasolini's fascinating and unusual take on Warhol and on the series.

Book Information

Hardcover: 80 pages

Publisher: Skarstedt Gallery (December 30, 1899)

Language: English

ISBN-10: 1616237171

ISBN-13: 978-1616237172

Product Dimensions: 0.5 x 8.8 x 11 inches

Shipping Weight: 1.5 pounds

Customer Reviews

Really nice collection of one of Andy's most important series. Nicely illustrated and looks really great on my coffee table until I can afford a real print!
