Customer Reviews

We returned from a visit to the Abbey last month.....but I forgot to buy a book on it, and I absolutely love this place. Luckily I found this book. It covers every aspect of the Abbey and the photos are awesome!

We went to Tintern Abbey in 2011. It was January, mercifully good weather and uncrowded. Naturally I hit the little shop on the way out...but somehow missed getting a guidebook! This one fits the bill with everything I wanted it to be: descriptive, lots of photos of the ruins, lots of drawings of the way it probably looked, lots of time-lapse development. My copy is used, but is in pretty good shape, and I'll keep it that way! Love it!
