The Castles Of King Ludwig II (Castles & Palaces)

Synopsis

The three legendary structures conceived by King Ludwig II are showcased in this photographic exploration. Documenting what was revered as his dream home, the study delves into the construction of Neuschwanstein Castle, from the foundations being laid to the eventual completion of its great hall. His creations at Schloss Linderhof; the only castle to be finished; and Schloss Herrenchiemsee are also chronicled, capturing their evolution in a stylish array of images. Revealing the inspiration behind these masterly works, this consideration reflects on the subject's renowned passion for building, love of art and music, and turbulent life.

Customer Reviews

The book has some wonderful pictures and information about King Ludwig. Honestly I think the exterior of the castle is much prettier than the inside, which is way to ornate. Beautiful painting though. There one room in the grotto was quite interesting though.

As a military brat I spent most of my childhood growing up in Germany and the Neuschwanstein is arguably one of the most beautiful buildings in the Western Hemisphere and this book has beautiful photos and a well detailed history of a very interesting and perhaps misunderstood royal

Beautiful book. Haven't read it yet, but the pictures are gorgeous.

Excellent book, with magnificent pictures. Very very pleased !
