Customer Reviews

The booklet has clear printing, and sturdy paper. Will last for many years. The music is excellent for competitions. My daughter has won the ability to play one of these songs with the local community college orchestra backing her. (She is in 10th grade). Planning to use it for the regional and state level high school competition as well. All around excellent bassoon music.

Sol pull some interesting tricks with the notation, but overall it's very clear to read. I've only looked at the E minor and A minor, but I couldn't hear any errors. Have yet to use the piano realizations, I'll update the review if there's any issues with them. A very solid purchase, and the solos I never play on playing are great sight-reading practice.

Print is east to read. Had what I needed
